Tell us about yourself and your life

Children and young people are going through and to give adults ideas on how to improve the situation. This year, the report is called "In the Shoes of the Children and Teenagers". We need your help! We want to better understand what your life is like and how you feel.

We would like to know:

- what makes you happy;
- what worries you;
- what is unfair;
- whether your rights are respected.

You can reply to us until 1st April 2026. You are not obliged to answer every question and it is anonymous. No one will know that the answers are from you.

Thank you very much for your help!
